To Whom It May Concern:

The Purgatory Metropolitan District provides Water, Wastewater, Roads, and Park/Recreation services to the residences and business located within its boundaries (generally the area immediately surrounding Durango Mountain Resort). The District is governed by a five member Board of Director's, who in turn are supported by a professional staff. Board Members usually serve in four year terms, and are elected in even numbered years.

Currently there is an open seat on the Board and the four current Board Members are charged with appointing a replacement Member for this seat. The appointed Board Member will serve on the Board until the May, 2012 election. The Board is seeking candidates who are interested in serving on this Board. If you are interested in being considered for appointment, please e-mail (to the address below), fax (970-385-6736) or send a letter of interest to the Board of Director's at the address listed above. The letter should outline your reason's for interest and detail any qualifications that you believe would help you serve effectively.

To be eligible to serve on the Board, you must either own in your or your spouses name, property within the District (corporate or legal entities such as LLC's do not qualify), or live within the boundaries of the District. In both cases, you must also be a Colorado registered voter. The Board will require proof of these qualifications to insure adherence to these State statutes.

The Board meets monthly for regular Board meetings and schedules special meetings, workshops, etc from time to time as needed.

The District has entered into a period of unprecedented growth, challenge and responsibility and the policies and decisions made today will shape the future. We believe that serving on this Board takes commitment, but is an exciting opportunity for interested candidates. We encourage you to contact any of our current Board Members, or our District Manager, John Reiter if you would like additional information on serving. Please contact John at [reiterpmd@hotmail.com](mailto:reiterpmd@hotmail.com) and he will provide contact information as necessary. Currently serving on our Board are Nancy Furry, John Ogier, Doug Simonson and Jeff Watson.

The Board has a short time frame in which to consider candidates and appoint the new Board Member. As such, we would appreciate it if you could send in your letter of interest no later than September 3, 2010. For your information, the next scheduled Board meeting is September 15, 2010 at 8:30am at the District's office located in the Community Services Center at 23 Purgatory Blvd. just inside the main entrance to Durango Mountain Resort. Interested candidates are encouraged to attend.

Thank you in advance for considering this opportunity, we look forward to hearing from you.  
Sincerely,

**The Purgatory Metropolitan District Board of Directors**
